Gt Budworth
Cheshire

As requested please find below an estimate for the following work to be carried out at above address. Following a site inspection an angle finder was placed on the pitch and found to be about 15° the tiles I suggest to be used go down to 12.5° pitch.

1. Supply all scaffolding
2. Strip all existing tiles, felt, butters + windows to

rear section.

3. Supply and fit new breathable felt and butters
4. Supply and fit 6 new Velux windows.
5. Supply and fit Redland Regent tile.
6. Supply and fit lead flashing to break in roof.
7. Remove all rubbish.

NOTE. I have not priced to repair any cracks caused to ceilings

Cost £8200

Re: B G Roofing (Guy Sell)

I write this letter in recommendation B G Roofing as a roofing contractor. We currently work with Guy as we manage approximately 150 rental properties in the local area and work undertaken by B G Roofing includes everything from a slipped tile to a new roof. I can recommend him highly and without reservation.

Yours sincerely

RE: BG Roofing Reference

Since forming in 1989 DMJ Properties have used BG Roofing on all its residential portfolio of nearly 150 properties. Additionally, Emerald Bay Construction, DMJ Properties sister company, have used BG Roofing for its commercial and industrial work since 1997. Throughout this period of over 25 years, BG Roofing has tendered for work as well as act quickly to emergency call outs.

Due to their wide ranging experience and knowledge of all types of roofing work, customers can be assured of having complete confidence in high quality, cost-effective roofing works with attention to detail and value for money.

BG roofing is totally accountable for their work and therefore the key to the partnership and their work is trust.

Yours sincerely,

Adam Jude
