CONSULTANCY SERVICE

Website: www.emertonroof.co.uk
Email: admin@emertonroofing.co.uk

Dear Sir or Madam,
We have pleasure in submitting our costing as follows:

QUOTATION S10/9594

Dated 29th April 2014

RE:-GREAT BUDWORTH PARISH HALL

Rear Shallow Pitched Roof Area Only

Provide and erect scaffold access forming safe working lift at roof level.

Strip off the existing slates, including associated felt and battens, cart away from site

Alter existing barge board heights to accommodate new roof covering.

Supply and fix new 18mm exterior grade plywood decking nailed to the existing rafters.

Provide and lay new 3 x layer High Performance built-up felt system with a blue/grey mineral finish, all bonded with hot bitumen.

Reuse the existing roof windows, mounted on new raised timber kerbs to suit new roof covering.

Our price for this would be...

**£14,930.00
(+VAT)**

No inclusion has been given to the following:-

- **Repairs to damaged ceilings or rendered finishes caused by vibration from hammering or stripping.**
- **Replacement of any decayed timber or brickwork discovered.**
- **Insulation.**
- **Repairs to eaves guttering.**

E. & O.E.

Terms: Nett Stage Payments Required.

Yours faithfully
Emerton Roofing (Western) Ltd
