Council Budget Consultation

-

Cheshire West and Chester Council have launched a public consultation into proposals for their budget between 2018 and 2021. The six-week consultation, called Balancing the Budget, opened on 12 October and closes on 23 November 2017.

There are a number of ways to take part in the Balancing the Budget consultation:

You can try your hand at budget setting with our online interactive budget simulator.

You can submit questions for Cabinet to debate in a live online event on 8 November.

You can also view the proposals and fill in a questionnaire with your views.

For full information about the consultation, including links to the budget simulator and how to submit a question for the debate, visit: www.cheshirewestandchester.gov.uk/BalancingtheBudget.

Many Thanks

Fiona
