Hello all,

The borough-wide daffodil scheme is in full swing, funded by your local ward members, we hope to have the bulbs in the ground by the end of November.

As the scheme covers the entire borough, we have a large number of bulbs and will need some help.

Your members working with localities have allocated you each 1 bag of bulbs. Each bag contains around 500 bulbs.

The Your Streets team are able to assist in any community/members projects and events (Monday – Friday, 0800 – 1500).

We also have a toolbank which includes trowels, spades, shovels etc. you can book out the equipment and find additional information including risk assessments and guides in the toolbank pack/form attached.

The Equipment can be booked for any day and will be dropped off/picked up at you convenience.

I'll be aiming to drop off the bags beginning next week.

Please populate the highlighted columns with the drop off locations. Please **Reply all** to keep the table 'live'.
