Tools with a Mission

**Do you have any
unwanted/unused
tools?**

Tools with a Mission (TWAM) enables people in developing countries to earn a living and support themselves.

TWAM take all sorts of tools in any condition - even if they're incomplete - and refurbish them for forwarding to Africa.

All types of hand tools are wanted: whether they're used for carpentry, motor mechanics (including trolley jacks and ramps), building, electrical, plumbing, engineering, or gardening work. They'll all be welcome!

If you have any unwanted tools, please will you bring them to my house and the charity will collect them.

SCHOOL NEWS

The school re-opened on Monday 10th June after a two-week Spring break—and what a busy term it is!

On 16th June 12 students braved the 'stormy, wet weather' to dance round the Maypole at Cransley School as part of the Church Garden Party (see photo, below). They were a huge success! Many thanks to Shirley Humphreys, who does sterling work, giving up her time and choreographing the dance routine.

The new upstairs resource area is now complete and work has begun to furnish the room. Karen Hammond and Richard Elias are organizing a 'Pop-up Party' on the Village Hall patio on Friday 5th July to raise funding for resources. Mrs Robins has submitted a bid to the Foyle Foundation to support setting up the room as a children's library. Please come along on Friday 5th and support our school. Prizes for the raffle would be appreciated.

SATs are finished and students are now able to enjoy the rest of the term without such pressure and some amazing activities have been organized.

On Friday 21st June Julie Grundy, a ladies' football player, coach and manager, is set to visit the school to promote women in sport - this is part of the PE curriculum. Hopefully, her passionate talk will inspire the children for their Sports Day on 26th June.

Students in years 3-6 are due to enjoy a residential trip at Robinwood Centre, Wrexham. This will be an 'adventurous' experience designed to take students out of their comfort zone! Students in Y5 and Y6 are also participating in an Orienteering afternoon at Marbury Park with other local schools.

A major focus for the school in the next few weeks is preparing students for transition in the next academic year, whether this is to 'big' school or moving up a year in school. Students will have the opportunity to visit their new Secondary School or meet the new teachers for next year.

The last term is a time for farewells. The school will say 'goodbye' to Year 6 on Thursday 25th July, with a leavers' service at Great Budworth Church at 1.30pm.

Mrs Haywood, the Year3/4 teacher, is leaving, so we would like to wish her well and thank her for her dedication to the school and young people.

Date for your Diary

17th and 18th July; School Production 'Troy Story'. Tickets can be obtained from the school. Please support our school!

The Cock O'Budworth

Warrington Rd, Great Budworth, CW9 6HB
01606 891287

Michelle and the team wish you a warm welcome to The Cock O'Budworth. Set in the beautiful Cheshire countryside overlooking rolling fields, the Cock O'Budworth is an idyllic country pub with a spacious beer garden, serving a range of award-winning Joseph Holt ales and lagers, along with traditional pub food. Our summer menu offers a range of deals throughout the week, including two for £13 Monday-Saturday, Curry Thursdays and Fish Fridays. Our stylish function suite is also available to hire for all types of private and corporate functions. Contact a member of the team on 01606 891287 or email: thecockatbudworth@joseph-holt.com to reserve a table or enquire about our function suite.

Well done to the members of Great Budworth WI who entered their crafts, paintings and photos in the WI marquee at the Cheshire Show - they flew the flag for Great Budworth. Congratulations to Liz Bentham, who won a special award at the Royal Cheshire Show for her watercolour of St Michael's Mount, Penzance (pictured below). It received full marks along with five other paintings and was chosen as the overall winner. Great Budworth WI also received three other prize

cards. Well done, Liz - and well done, ladies! We're very proud of you!

We had a talk at the June meeting on travelling across America in a posh camper van, but regret it hasn't inspired any of us to try it for ourselves!! The speaker did say that she hadn't given of her best - or maybe we were expecting too much.

Members kindly donated bran tub and mystery bags for the church fete at Belmont Hall, along with Cransley School. We sold almost everything, so made a generous donation to the Church.

We are looking forward to the next meeting on Wednesday 3rd July, at 7pm, to be held in the garden of Christine Wyllie's house in Westage Lane. Members are asked to bring along a chair, so after enjoying the garden we have a speaker, Carole Codd, who will tell us 'Anecdotes of a registrar'. We will also have strawberries and cream with our cup of tea. We hope for a nice warm evening - we have had enough rain !!

The Ramblers walked in Dunham Park last month. It was a bit wet, but it is a beautiful deer park. We enjoyed the walk, despite the rain and it was followed by lunch in the café.

The book club are reading 'The Tattooist of Auschwitz' by Heather Morris.

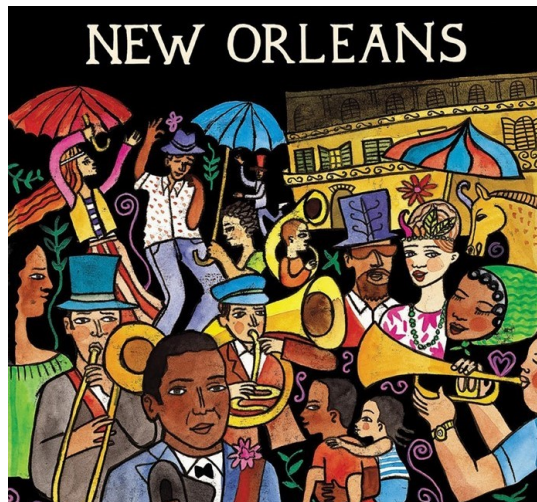

We have the Bowls Fun Evening on the 14th August (please note: this is the second Wednesday of the month) at 7pm prompt. Do come along and have a go - it gives members a chance to have a friendly game of bowls and the more experienced will give lots of help. Please bring along a small sweet or savoury contribution to the faith supper (a 'faith supper' means everyone brings along food to eat, not too much but just enough !!)

We then have a coach trip to Sudbury Hall, near Uttoxeter, on 12th September for members to enjoy. The house was used in the filming of Pride & Prejudice as Mr Darcy's home, Pemberley, and there is also a Museum of Childhood, so we can have a good reminisce of the toys we used to play with. We'll leave the Ice Cream Farm at 9.45am and return at around 5.30pm. The coach is free for WI members and so if you are a National Trust member it's a free day out.

Save the date!

After extensive consultation it has been decided that the next Big Boys' Event will take place on:

Saturday 14 September.

The theme:

NEW ORLEANS

Food, drink, music and other entertainment appropriate to the theme will be provided for your delectation. So, save the date – and keep an eye on the village notice boards for more information during the summer.

Thought for the month:

The concept of two people living together for twenty-five years without a serious dispute suggests a lack of spirit only to be admired in sheep.

HERITAGE SOCIETY

The Society held its Annual General Meeting at the Parish Hall on Monday 17th June. I reported as follows.

Our main concern during the past year has been the state of the bottom pump house (also known as the 'running pump'). I noted in my report last year that this was in a sorry state – and after the AGM we started to firm up a project to restore it. Keith Brudenell drew up a schedule of work and Rod Bowman has been in serious discussions with CWAC's conservation officer on numerous occasions.

As costs exceeded the Heritage Society's budget – and, as the pump house is owned by the parish council, a number of joint meetings took place. We invited a number of companies to tender for the work but, despite providing them with a clear schedule of work, the response has been poor.

In other areas, the Heritage Society once again organised and funded the community carol singing on Christmas Eve, providing mulled wine and mince pies to those taking part. The organisation went smoothly and our sincere thanks go to Richard Elias and his press-ganged family (who were largely responsible for its smooth running) and to our hardy local musicians for their accompaniment.

In March a hardy team of Heritage Society volunteers set to work with mops, buckets, and scrubbing brushes and cleaned up the village's road signs (see pic, right).

We also organised and hosted an excellent quiz night and hot pot supper, which raised over £600, which will enable us to contribute more to the lower pump house work than we had originally envisaged. My thanks go to Anna Lee for compiling the questions; to Richard Elias for the delicious food – and to everyone on the committee who helped on the night. I must also thank the donors of the wine which was provided on the evening.

As well as the subscription money we have received, we have also received some welcome donations. This healthy bank balance is fortunate, as one of our members has proposed the creation of an iPhone-guided historical tour of the village.

I also understand that the church has a project in the pipeline, to which the Society might contribute.

So here's to the future of our Heritage Society.

Malcolm Torrance
Chairman

GARDEN CLUB

Members supported our strawberry and cream evening in June, where the dessert was so well prepared by Marilyn Francis and her team. Our speaker was Joan Broughton (pictured), our member from Weaverham, who gave us a demonstration in the art of topiary.

Four people were lucky enough to win one of her creations, which were a joy to behold. She was thanked by Kay Bashford, in her amiable way, telling stories of her own about her experiences of topiary! All in all, it was a very good evening.

The summer now consists of our garden club holiday to West Wales, which will be fantastic, whatever the weather, thanks to Henri and Lynda Giller's superb planning.

In addition, we look forward to a day trip to RHS Harlow Carr by coach; our members' open gardens and visiting our favourite gardens everywhere. This must be one of the most pleasant occupations of the year.

The next meeting at the Parish Hall, is on Tuesday 10th September, when we have our Produce Show. The schedule is in our Newsletter, but you must start preparing now! The winner will receive the Banksian Medal, and runners-up will receive smaller prizes.

In addition, we have speakers: Martin and Jill Fish, well known journalists and presenters, will cook items from their garden to enhance our evening, so it will doubtless be a busy event.

Enjoy your summer, make the most of everything on offer, and I look forward to seeing you on many occasions. Please contact me in the first instance with any enquiries.

Skywatch

Apollo 11 "One giant leap for mankind"

Fifty years ago, on 20 July 1969, the lunar module 'Eagle' landed in the Sea of Tranquility on the Moon. It had been launched from the parent Apollo 11 which continued to orbit the Moon, while next day 21 July Neil Armstrong climbed down from the LEM and said those immortal words.

Advancements in rocket technology and computers have allowed us to send probes to all the planets in our solar system and also some visiting comets. Who knows what will happen in the next 50 years? We may well see the colonisation of Mars!

Ladies' Lunches

It sounds as if it might be a bit posh, but it really isn't! It's a chance for those who fancy chatting about everything under the sun with whoever might be free that day. No need to book.

We visit a variety of pubs for a spot of light lunch on the third Thursday in the month - keep an eye out in the Bulletin for the venue the following month.

We've just had a very convivial natter at the Partridge Inn at Stretton, where we'll be again on the 18th July and 15th August from 12.30pm.

Lifts are always available. Why not come and join

us? For further information contact Hazel on 01606 891908
