Dear Parish Council

**PRIVATE WATER SUPPLIES REGULATIONS 2016
PRIVATE WATER SUPPLY AT GREAT BUDWORTH**

I refer to my recent visit to sample your private water supply. Thank you for your help and assistance. I have now got the results from the laboratory for the drinking water samples. I am pleased to inform you that the bacteriological results are satisfactory and there were no excessive amounts of chemicals in the water at the time of sampling. However, you should be aware that a sample of water is only a "snapshot" examination of the water at the time the sample was taken.

I enclose a copy of the results of the sampling for your information.

An invoice will be sent later that I trust will receive your prompt attention.

I will look to contact you next year to arrange for sampling to be undertaken.

Should you wish to discuss any matter relating to the water supply, report any changes to the supply or require any further sampling, please contact me.

Yours sincerely,

Mrs Madelaine Davies
Senior Regulatory Enforcement Officer
Consumer Protection and Investigations
